

## Building for our Friends Capital Campaign - Naming Opportunities

(subject to modest changes based on construction)

As we near the 25<sup>th</sup> Anniversary of our founding, AniMeals has launched a capital campaign, ***Building for our Friends***, to construct a new state-of-the-art shelter. This will be a community-wide effort to help animals and the people who care about and for them, cats, especially have the best possible “home.”

Within these naming opportunities, dependent upon your gift, you may choose to have your name, organization, business, or the name of a beloved pet, or in memory of a loved one. There are many areas of the new shelter which you can designate a naming for or you can make a pledge that spans up to three years. If you have any interest in the following for personal recognition, please contact us; we are happy to meet with you to discuss your support.
