BUILDING FOR OUR FRIENDS
CAPITAL CAMPAIGN

NAMING OPPORTUNITIES

After more than two decades housed in a leased warehouse, AniMeals is ready for a new and permanent home --- a modern, state-of-the-art shelter to provide a safe and soft landing for more felines, a larger food bank for all pets in need, expanded programs that will increase our adoption rate and better serve our community.

Today, we have launched a capital campaign, ***Building for Our Friends, for Our Future*** to support the development of a new shelter. This is a community-wide effort to help animals and the people who care about them, cats especially, so they have the best possible lives.

Naming opportunities that you can sponsor are a great way to recognize a loved one, to honor a friend, a pet or anyone who means a lot to you. With naming opportunities, you have many options. Depending upon your gift, you may choose to have your name, the name of an organization, business, or beloved pet associated with your naming choice.

There are many areas of the new shelter that you can sponsor now, or you can make a pledge and pay over time. If you have an interest in naming opportunities and would like to learn more, please contact us. We would love to meet with you to discuss your support.
