

AniMeals Building for our Friends Capital Campaign

Naming Opportunities*

As we near a milestone 25th Anniversary of AniMeals, we are launching a capital campaign, **Building for our Friends**, to construct a new state-of-the-art shelter. This is a community-wide effort to help animals and the people who care about them, cats especially, so they have the best possible “home”. Naming opportunities are a wonderful way to recognize a loved one, a friend, a pet, someone who means a lot to you. With naming opportunities, you have many options, and depending upon your gift, you may choose to have your name, the name of an organization, business, or beloved pet associated with one of the choices shown below. There are many areas of the new shelter that you can sponsor now, or you can make a pledge for the future. If you have an interest in naming opportunities, please contact us. We would love to meet you to discuss your support.
